

Welcome Volunteers: We are so excited to welcome volunteers to Stevenson Elementary School! Please know that volunteers need to complete an application, a background check, provide proof of vaccination and follow COVID protocols including masking, social distancing and sanitization. Here are excellent ways to support SES through volunteerism:

SES Math Club: An after-school program on Monday, Tuesdays & Thursdays, 2:30-3:30 playing math games with students, kindergarten through second grade.

Garden Club: A garden clean-up, a one-time event on Friday, March 11.

Walking Club: Join students during recess to earn walking points, daily 11:25-12:25 on the playground. Play outdoor games with students during recess.

Backpack Program: Read with students in a variety of classrooms, kindergarten through 2nd grade.

Family Learning Event: Engage in literacy activities with families during Family Literacy Night, March 8, 6:00-7:00.

Classrooms: Interact with students to practice reading, math facts, sight words, and more!

Please contact SES office for more information, to ask questions or sign up for any of the options above. Call Kali at 509-427-5672 or email stumpk@scsd303.org. We look forward to your engagement with our kindergarten through second grade students! Welcome to SES!!
